

The City of Being(s)

Helsinki / Pori, Finland

August 14-25, 2023

IFHP

Urban Planning and Design
SUMMER SCHOOL 2023

Call for Applications!

Architecture and urban planning are at the core of creating an ecologically and socially sustainable environments. The paradigm of human-centred design needs to be turned toward a more holistic and post-humanistic approach – to the City of Being(s).

The 27th IFHP Urban Planning and Design Summer School invites students and professionals in urban planning and design, architecture, and urban studies to join an unforgettable educational and social experience in Helsinki and Pori, Finland, on August 14-25, 2023!

Apply by April 30 on our website:
